

**Do not miss this dynamic teambuilding event!**

# eco safari challenge

Experience an **amazing race** with a difference!

This action packed teambuilding event is staged outdoors amidst the Big 5 free-roaming animals in the Dinokeng Game Reserve. Pre-allocated teams on safari vehicles will follow clues along the way and guide their qualified ranger b.m.o. GPS's to locate various checkpoints where the team will partake in teambuilding activities to determine the winning team. Tasks can be customized to suit the clients' corporate objectives. Finding clues and identifying wildlife en route all adds up to the total score. A not-to-miss opportunity!
